Bio: Manager, Morro Bay Museum of Natural History since 2005, State Park Interpreter since 1989. Bird Festival program committee member or co-chair since 2006. Morro Coast Audubon Society program co-chair since 2006. Birding informally since childhood, he began leading beginning bird walks for California State Parks in the early 1990s. He particularly enjoys shorebirds, seabirds, raptors, woodpeckers, hummingbirds, and calling birds with whistled and vocal sounds. Rouvaishyana also works as a naturalist on local whale-watching boats, where he has numerous opportunities to observe seabirds.
